

A LESSON THAT WILL NOT BE FORGOTTEN

Slide 1

Are you going **Slide 2** to school right now? Yes? No? You may be **Slide 3** in vacation? One thing is certain, you continue **Slide 4** to learn! Indeed! You go on learning **Slide 5** all our life. There is always something **Slide 6** new to discover. It is exciting! Do you know **Slide 7** that Jesus' disciples also went to school? Yes, their teacher, their teacher is **Slide 8** the Lord. In our last talk, we saw that He taught them how **Slide 9** to look at the world as God does. Today they will learn a new lesson. **Slide 10** What is the lesson of the day? This is what we will find out by listening to this story that you will find in **Slide 11** the Gospel of John in chapter 13.

Slide 12 THE LESSON OF JESUS TO THE DISCIPLES

Slide 13 Tonight people are going to celebrate the feast of the Passover. In each family, they will have a big meal and hymns will be sung. This is the last Passover that Jesus will celebrate with his disciples.

Slide 14 - Go and prepare what you need for the meal, Jesus says to Peter and John.

Slide 15 - Yes, Lord, but where do you want us to prepare it?

Slide 16 - Go to Jerusalem! When you have entered the town, you will meet **Slide 17** a man who's carrying a water jug. Follow him into the house where he will enter, and ask the owner of the house where the hall for the Passover is located. **Slide 18** He will show you upstairs a large room with rugs and cushions. This is where you will do the preparations.

Slide 19 Peter and John arrive in Jerusalem.

Slide 20 - Oh! Look! Says one of them, do you see this man over there he is carrying a jug. Let's follow him!

Everything happens exactly as Jesus said. **Slide 21** They cook lamb, breads and vegetables. The house is filled with those good smells of cooking.

Near the front door, they leave **Slide 22** a jug filled with water, a bowl and a cloth. People will use it to wash and wipe the feet of Jesus and the disciples. When they arrive, they will

have dirty feet. Their sandals do not protect them from the dust of the road. People always do it before entering a house, especially on a day of celebration. **Slide 23** It is the least important servant who washes the guests' feet.

Slide 24 Towards evening, Jesus and the disciples arrive for the Party. **Slide 25** At the moment when they are about to enter the house, the disciples stop and **Slide 26** watch with concern **Slide 27** the bowl and the jug of water.

Slide 28 - There is no servant here, they think. **Slide 29** Who is going to wash our feet? Matthew, James, Philip, Andrew? ... Nobody moves. They are immersed in their thoughts.

Slide 30 - Ah! No, not me, Peter thinks to himself, I am not going to do that! **Slide 31** I am not their servant, I am not going to wash their feet. It's too degrading!

Slide 32 - They shouldn't count on me, another thinks, I won't stoop to doing that!

Slide 33 It's humiliating. It's up to them to do it!

Nobody makes a move. **Slide 34** They sit at the table as if nothing had happened.

Suddenly Jesus says to them:

Slide 35 - This is the last time we are all together, that's why I really wanted to celebrate this Passover with you. **Slide 36** In a short time, I will suffer a lot.

Slide 37 Did they hear? Not sure, they might still be wrapped in their private thoughts.

Jesus stands up. He takes the cloth and **Slide 38** puts it around his waist as do servants. He pours the water in the bowl and kneels in front of one of the disciples. He washes his feet and wipes them. He goes to the next one and He does the same, then to the third, to the fourth. The disciples do not say a word. **Slide 39** They watch, deeply shocked. They are ashamed. Their Lord takes the place of a servant. He does what they have refused to do.

Slide 40 Jesus arrives in front of Peter. He kneels before him. Pierre withdraws his feet:

Slide 41 - No! Not you, Lord! No way! He cries out. You are the Master, the Lord, it's not for you to do that! You're not going to wash my feet!

Slide 42 - Peter! Jesus says to him, if I don't wash your feet, you will not be able to continue to be my disciple.

Slide 43 - Really! In that case Lord! Wash me! I want to be your disciple forever. Wash me! Wash my hands and my head too!

Slide 44 - No! Jesus says to him. I only wash the feet because they got dirty during the walk. Jesus finishes. **Slide 45** He puts the bowl away and goes back **Slide 46** to the table with them.

- Do you understand why I did this? He asks them. **Slide 47** I wanted to give you an example to follow. You call me Master and Lord and you are right because that's what I am and yet I will give my life for you because I love you. As for **Slide 48** you do love each other too, take care of each other and don't argue to know who's the greatest
Do you want to follow me? **Slide 49** So do like me and you will truly be my disciples.
All bow their heads. They are ashamed. They realize how proud they are, always wanting to have the best place. **Slide 50** It is a lesson in humility that cannot be forgotten.

Slide 51 1, 2 3, 4 AND YOU AND ME!

*Have you understood the lesson Jesus gave to his disciples? **Slide 52** Yes he taught them a lesson in humility. He showed them how to behave, to behave to each other. Humility is the opposite of pride. **Slide 53** That is to say, it prompts you not to brag, not to think you're better than others, not to put yourself above them and not to despise them but it makes **Slide 54** you love them, help them. Do you want to please Jesus? So do like Him. Take care of those around you, whether at home, at church, at school.*

Slide 55 4, 3, 2, 1 AND WE PARENTS!

*Jesus teaches by his words but also by his life. That day He didn't make a big speech but He put his teaching into practice. The disciples understood the message. Let's do the same in our everyday life, in the family, at work, in our relationships with others, and our children will understand. In turn, they can live the teachings of Jesus. **Slide 56** They are great observers **Slide 57** and good imitators but you can't cheat on them. Who we are and what we do speaks louder than what we say. May they find in our families, those around them and in the church examples to imitate.*

Slide 58
